## 30 YEARS OF

Team Depot, The Home Depot's associate volunteer force, was established. The first Team Depot project was a Habitat for Humanity house built by the technology team in Atlanta.

The Home Depot received an Award for Excellence in Corporate Community Service from the Points of Light Foundation.

Volunteers from the Store Support Center flew to Joplin, Missouri, to perform several projects following the devastating tornado.

The Company honored those who served through a Celebration of Service campaign from September 11 to Veterans Day, with \$10 million donated and 320 volunteer projects completed.

During the 2014 Celebration of Service, Team Depot volunteers transformed homes for veterans in all 50 states.

When a tornado struck northern Dallas, Texas, several communities were heavily affected, including heavy losses to a Home Depot store. But in true Team Depot fashion, over 200 store associates rallied to help their neighbors, cleaning up trees and debris.

During Operation Surprise, a seven-week campaign, Team Depot volunteers donated 125,000 hours to help improve

Team Depot received the President's National Community Service Award, the highest honor given to volunteers by the President of the United States.

The first annual Week of Service showed our dedication to teamwork and volunteerism

Following Hurricane Katrina in 2005, the single most catastrophic natural disaster in U.S. history, Team Depot worked with organizations like Rebuilding Together New Orleans and Habitat for Humanity for several years to help rebuild.

The Home Depot and KaBOOM! celebrated the building of 1,000 playgrounds in 1,000 days.

Team Depot stepped up to help communities after the 2008 Midwest floods.

During the eighth annual Celebration of Service, The Home Depot Foundation and Team Depot traded orange for military green to honor the men and women who served our country – with a goal of accumulating 100,000 service hours.

140 Team Depot associates helped rebuild a local school in Puerto Rico in the aftermath of Hurricane Maria.

Team Depot built 7,000 disaster relief kits to be stored ahead of hurricane season in distribution centers for strategic delivery.

In partnership with the Tunnel to Towers
Foundation, Team Depot delivered supplies to
frontline heroes at Grady Health, Emory
Healthcare, Northside Hospital Healthcare
System and Shepherd Center in Atlanta during
the COVID-19 pandemic.

Team Depot volunteers worked with Habitat for Humanity to complete two "Blitz Builds" in Bowling Green and Pennyrile, two Kentucky regions hit hard by tornadoes in 2021.
